Daily Minimum Usage Fee (<16 kWh) \$0.95 per day

**\* Energy Charge is billed per Daily kWh use**

The average prices shown above for the first day of service includes the energy charge, all recurring TDU fees, and daily base charges as shown. Except for price changes allowed by law or regulatory action, this price is the price that will be applied for your first day of service. This price may change at the sole discretion of Snap Energy Latino. Estimated TDU Delivery Charges will be passed through to customer daily and reconciled monthly as billed from the Transmission and Distribution Utility (TDU). For updated TDU delivery charge factors go to the TDU Charges link below. Average prices per kWh listed above do not include facility relocation fees or other charges ordered by a municipality (if applicable). Please review the historical price of this product available at the link provided below and 844-501-7627. There is a \$0.95 per day minimum usage fee that will be assessed against your account if your daily usage is below 16 kWh. Customers are required to establish an initial connection balance of up to \$75.00 upon enrollment; and reconnection balances of \$10.01 anytime they are disconnected.
